Spring/Summer Semester

SPRING/SUMMER REGISTRATION OPENS FEBRUARY 1ST

Find the class schedule [HERE].

They say that BYU’s best kept secret is the Spring/Summer semester. You can take classes spring term, summer term, & or spring/summer semester. The weather is beautiful, and campus is much less crowded (which also means smaller classes).

There are more scholarship opportunities and fun summer outdoor activities in Provo. Plus you have a better chance of finding the campus job you want. You are considered a full-time student if you enroll in 6 or more credits (4.5 for Graduates) during spring or summer term.

You can find more info [HERE] to decide if Spring-Summer is for you.
